On Friday January 17, 2014, Cortlandt Town Supervisor Linda Puglisi cut the ribbon at the Grand Opening of the Steampunk Coffee House located at 1 Baker Street at the intersection of Cortlandt Blvd. (aka Route 6) and Baker Street. The new Coffee House was designed by Joel Greenberg and Nick Fusco from the Mahopac based Architectural Firm of Architectural Visions, PLLC.

At the ribbon cutting, Supervisor Puglisi read a proclamation from the Cortlandt Town Board welcoming this new and unique coffee house to the town. Steampunk is easily recognized by its retro-futuristic décor. This establishment fits that description to a "T" with its industrial inspired furnishings and colors. The rustic and casual atmosphere and friendly service will serve and delight you. Steampunk offers various specialty coffees, espresso, cappuccino, various teas, smoothies, pastries, scones, and bagels. A cozy sitting area surrounds a brick fireplace, and free Wi-Fi allows you to sit, relax, and check your email in a comfortable setting. The Steampunk Coffee House is open from 6am - 9pm Monday through Thursday, 6am - 10pm on Friday, 7am - 10pm on Saturday, and 7am - 7pm on Sunday. The owners, Lenny and Lonna DiFroschia, cordially invite you to come and experience this unique coffee house and its various offerings.
