Please join us for a press conference as we announce the launch of our Cortlandt Facebook page at www.facebook.com/townofcortlandt. This will be one more source of information for our Town residents to receive the latest news from our Town government. This new social media source will compliment the Town of Cortlandt website located at www.townofcortlandt.com. "We are excited to offer this service to our residents and we encourage our residents to "Like us on Facebook" and to share the information with their family, friends, and neighbors," stated Supervisor Linda Puglisi. The facebook page for the Town of Cortlandt will be available on July 1, 2012 as we kickoff this next step in providing latest news to our Cortlandt community.
