Grand Opening of Veteran's Memorial Park

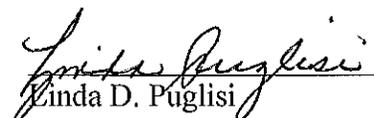

Join us for the Town of Cortlandt's Grand Opening of our Veteran's Memorial Park on Friday, July 20th at 3pm, at Cortlandt Waterfront Park near the Hudson River in the hamlet of Verplanck/Cortlandt.

"Why this Memorial? I have seen and read many hundreds of Memorials, monuments, dedicated to many worth while places, deeds and people. This memorial, though smaller in size, is larger in numbers than any of the other dedicated. It is dedicated to every man, woman that ever honorably served in a branch of the United States Military, whether it was one day, or for a career, in combat or non-combat. It is something we need."

- Arthur Rickey, Veteran and Member of William J. Boyle
American Legion Post 1030

"The Town Board and I are very pleased that we were able to fund and construct this beautiful and very important Veteran's Memorial Park. It is located on town owned land next to the Hudson River. It pays tribute to all of the men and women who have defended our country and served in our military in all branches of service over the years."
