

ATTENTION ALL PARENTS the Town of Cortlandt is hosting

The Social Life of Our Children

*Presenter: Andrea Fallick, LCSW, CASAC, CPP,
Olweus Technical Assistance Consultant
Assistant Director for School Based Programs
Student Assistance Services Corp*

Learn how we can help our children and teens develop healthy peer relationships and learn the truth about bullying. While all our children are likely to witness bullying, smaller percentages are directly involved. What do parents need to know to help their children develop healthy peer relationships and be good citizens in school, on the internet, and in the community? This interactive workshop will provide a research based definition of bullying and provide specific tips for parents.
