Join Us to Volunteer
For a New
Town of Cortlandt
Community Garden

1. We have a very interested resident of Cortlandt with tremendous knowledge in gardening who has volunteered to coordinate this effort.
2. Location to be determined – on Town owned property
3. Town D.E.S. department will assist with initial groundbreaking and basic supplies.
4. Once organized, then Cortlandt residents or groups (Scouts, Civic Organizations, etc.) will take care of their defined areas with the coordinator's guidance.

We are very excited about this new project and are looking forward to your participation.
