The purpose of the meeting is to update the community of the West Point Partners, LLC transmission line and converter station facility and the Spectra-Algonquin gas line expansion project proposed for our community.

The Cortlandt Task Force includes Supervisor Linda Puglisi, Town Attorney Tom Wood and several Verplanck residents who have been meeting regularly to discuss the impacts of these energy projects.

We encourage all residents of the Town of Cortlandt to attend and become informed of the impacts these projects can have on our Town.
