<p>Town of Cortlandt Trucks, Vehicles and Heavy Equipment Purchases For years 2016 and 2017</p>

Throughout this administration our fiscal policy has always been pay as you go, no borrowing, therefore, NO DEBT for the purchases of trucks, vehicles and heavy equipment. I am pleased to report that in the years of 2016 and 2017 this good financial policy continues.

Here is a list of what has been purchased with 2 leased vehicles and 10 purchased in these two recent years to improve and add to our fleet, which benefits our residents in providing town services.
