RE: Our new Recreation App with Otocast

We are very excited to announce the next phase for the Town of Cortlandt's Otocast app which will feature our excellent Recreational locations throughout our community.

Phase I introduced last year was for our historical sites in the town and now this app will include our town pool, our new lacrosse field, our many playgrounds and other fields, our Senior Center and Youth Center and the Cortlandt Community Rowing Association dock, etc.

So, as you're driving through Cortlandt download the Otocast App for historical and now Recreational sites. Each location has an explanation by our Town Supervisor Linda Puglisi, Councilman Frank Farrell, our Director of Recreation, John Palmiotto and others.

Please join us in touring the Town through this exiting App! (Note: Look for the App symbols.)
