## HELP FEED OVER HALF A MILLION PEOPLE IN OUR COMMUNITIES

Dear Friends and Neighbors,

On Saturday, October 19 at the Memorial United Methodist Church at 250 Bryant Road, White Plains over 800 Rotarians from 40+ Rotary Clubs around Westchester, the Bronx and Manhattan and community members will be coming together. The purpose is to package food to feed over a half million people in our local areas. Each club has donated \$500, \$1000 or more to fund the cost of the ingredients for this massive project to feed the needy. In total this project will exceed \$25,000. This money has been raised through various fundraisers your local Rotary Club has done. This project came up as a result of your local Rotary Clubs listening to the heartbeats of our neighbors and realizing that hunger is a problem even here. Even in the United States in 2013 hunger effects one in six people. Nutritional depravation leads to lower learning skills and compromised immune systems.

Each meal packaged will feed a family of six, and is available in macaroni and cheese or rice and beans. When completed these meals will be distributed to our food pantries, soup kitchens and food banks serving the hungry within our areas.

Rotary is a volunteer organization dedicated to service strives to reach out to fill the needs of others in our local, national or global communities. Rotary is active in 200 countries worldwide with over 1.2 million Rotarians.

If you have 3 hours available on Saturday, October 19th from 3pm to 6pm or 6pm to 9pm we would love to have you be involved with this massive effort to help our neighbors!

For more information on how you can be involved in this project
