The Town of Cortlandt Receives a Prestigious Award

The Town of Cortlandt recently received the prestigious Westchester Municipal Planning Federation Award on May 30, 2019. The award was for our many improvements at the Charles J. Cook Pool/Park (a former Town Supervisor in the 1970's) including our new 9 hole mini golf course, a 20 station fitness nature trail, a water spray park in the town pool and for many other improvements to this recreation park area over the years.

"We are very proud of our pool and park that also includes: our summer camps, swimming lanes in the pool, a water spray park with fun features for the children, a beach area, picnic tables, a snack bar, playground and next year a new bathhouse.

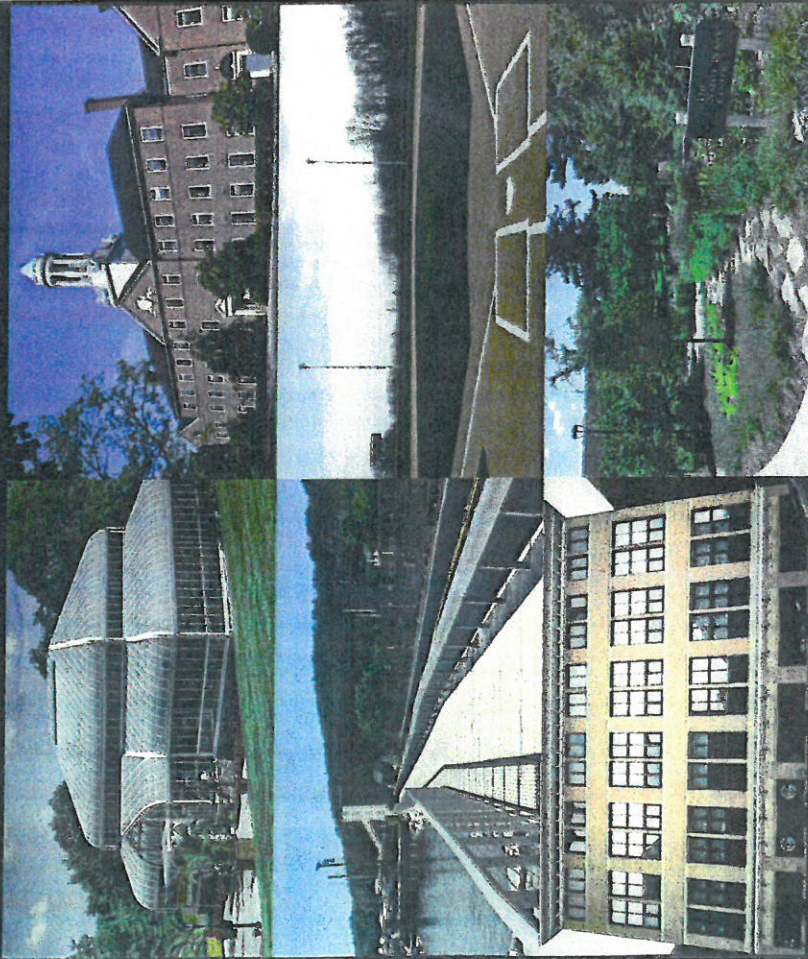

Each year we hire Cortlandt youth to be camp counselors, lifeguards and general seasonal workers.

It is a lovely pool and park that has given our families so much fun and pleasure over the years"
