FAREWELL, BUT NEVER GOODBYE

This will be my last article and message as Cortlandt's Town Supervisor (retiring 12/31 21) after 34 years, as a Town Councilwoman (4 years) and as Town Supervisor (30 years) - 1992-2021.

It has been an honor and a privilege to serve as Cortlandt's Supervisor for three decades, starting in one century (20th) and ending in the next (21st). It has been a wonderful journey along the way. I've been blessed to have had many great experiences, complete so many of my original plans and goals and to meet so many wonderful people.

I am grateful for our Cortlandt government team (200 employees, 15 department heads and assistants, committees, councils and board members). They have all helped to make Cortlandt a better place to live and to raise our families.

Thank you to our excellent schools and educators, places of worship, healthcare and hospital workers, local businesses, volunteers and to our 32,000 wonderful people who live in Cortlandt and to all the families, Seniors and children.

As a Town Supervisor you have the privilege of attending our civic and senior group events, parades, Veterans meetings and ceremonies, and to work with other officials in the County, Local, State and nation. I've done my best to meet every challenge with confidence that all problems and issues can be resolved. I'm pleased to say most have been. Also, my original goals stayed with me throughout the years; respect each resident and assist them, keep town taxes low, protect our environment and to have measured development and economic growth.

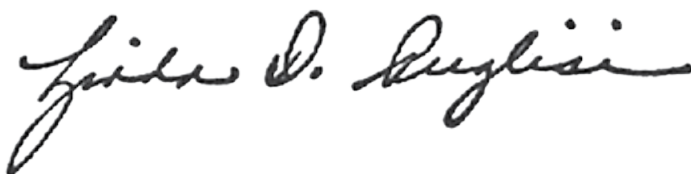

Also, it's important to note that I along with my colleagues never rested on our laurels or past achievements but always said "what's next to do."

I have had a wonderful life as a daughter of two remarkable parents, as a parent of my amazing twins (Ali and Jeff), as a proud Grandmother of two grandsons who I adore (Oliver and Jeremy), as a pre-school director, HOA President, school and community volunteer and then as an elected Town Councilwoman for 4 years and as the Town Supervisor of Cortlandt for 30 years.

I would also like to congratulate Dr. Richard Becker, as the new Town Supervisor and our Town Board members James Creighton and Cristin Jacoby on their election victories, as well. Congratulations also, to Kimberly Ragazzo, town justice, Laroue Shatzkin, Town Clerk and Deb Carter, Receiver of Taxes.

As I say farewell, it's never goodbye. I will always remember you all with smiles, joy, friendship, pride and love. I love Cortlandt!

Thank you,

Linda D. Puglisi
Former Supervisor, Town of Cortlandt

A WELCOME NOTE FROM SUPERVISOR BECKER

Dear Cortlandt Residents,

As your recently inaugurated new Town Supervisor, it is my pleasure to present to you our Winter/Spring Town of Cortlandt Recreation Brochure. This is clearly a time of change, as we continue to deal with the effects of COVID and the changing regulations. I know we are all looking forward to resuming our favorite recreational activities. This year we will continue all of our popular sport programs for adults and children, and also expand in new areas. We look forward to a robust daily summer camp season for our youth; we will continue our swimming and sports camp programs.

We continue to assist the Little Leagues within our community including Cortlandt American, Cortlandt National, and girls softball will play on newly renovated fields. Our adult basketball, lacrosse, and softball leagues will continue as well. Many and varied youth programs will be offered at The Youth Center on Memorial Drive, as well as at The Game Cafe located at Cortlandt Town Center.

We continue to offer many unstructured outdoor athletic programs, via our hiking trails, including The Nature Trail at the newly renovated and expanded Charles Cook Pool campus. We look forward to our residents enjoying the use of our new Pickle Ball Courts located at Croton Avenue across from the Old Croton Egg Farm.

Please review and save this brochure for future reference. And, also look for future announcements for Cortlandt Family Fun Day in September, Winter Wonderland in December, and our remarkable outdoor concert and movie series over the summer at the Cortlandt Waterfront Park.

We look forward to your participation and suggestions. Enjoy all of our wonderful activities. Be safe, have fun.

Sincerely,

Richard H. Becker

We also have a glorious Veteran's Memorial at our Cortlandt Waterfront Park by the Hudson River in our hamlet of Verplanck.

SOLUTIONS TO STORMWATER POLLUTION

Easy Things You Can Do Every Day To Protect Our Water

Stormwater is water from rain or melting snow that flows from rooftops, paved areas and lawns that doesn't soak into the ground but runs off into waterways, like streams, ponds, lakes, and rivers.

As it flows, stormwater runoff collects and transports soil, animal waste, salt, fertilizers, oil and grease, pesticides, litter and other potential pollutants. This pollution can enter groundwater, streams, lakes, ponds, and rivers and can even affect the quality of our drinking water.

Increase in impervious surfaces cause more stormwater runoff. Because less water is soaking in, flooding can become more frequent and more destructive.

The Town of Cortlandt is a regulated community and has enacted updated Town ordinances governing stormwater. To learn more, visit our website at: www.townofcortlandt.com/stormwater

What can you do to help with Stormwater Issues?

Lawn Care

Most lawns tested in Westchester County DO NOT need more phosphorus. If you must fertilize, use phosphorus-free fertilizer (where the middle number on the bag is zero). Excess fertilizer flows into streams, lakes, rivers, and reservoirs, where it can degrade drinking water, lead to algae and plant growth and contribute to fish kills. Don't fertilize when rain is expected. Leave grass clippings on the lawn to recycle nutrients. More information on lawn care is available in the Town of Cortlandt Recycling brochure.

Septic System Maintenance

Failing septic systems can contaminate groundwater, drinking water and surface flows. Most of the Town of Cortlandt is serviced by individual septic systems. **Your septic system should be pumped and inspected regularly.** Generally, septic tanks should be cleaned out every 3-5 years, depending on the size of the tank. Do not pour chemicals, paints, fats, or excess medications down your pipes. Driving on or parking on septic field may damage them.

Scoop the Poop

Please pick up after your dog or cat. It doesn't matter the size of the animal— all animal waste has an impact. Animal waste is easily carried by runoff, washing off roads and lawns. Pet waste contains harmful bacteria and phosphorus that can promote the growth of weeds and algae.

Landscaping Helps

Keep vegetation and organic material on the soil, especially on slopes. Landscape to limit the steepness or length of slopes. Build a buffer of vegetation by watercourses to help filter sediment. Replace the lawn at water's edge with shrubs, hedges or trees. Anything that slows the flow of water will help us give time for the pollution to be removed.

Care for your Car

Little drops of oil and gas add up. One pint of oil can cause an oil slick the size of a football field. Take used motor oil to gas stations. NEVER pour it down the drain. Take other fluids to approved recycling locations. Use saw dust or kitty litter to clean up leaks and spills in your driveway. Wash your car on your lawn if possible to capture runoff.

Reporting Stormwater Polluters

Your actions or the action of your neighbor can affect water resources. We are all downstream of someone. No polluted water should be allowed to go into our stormwater system. If you notice pollution of Stormwater you can report the details to the **Town of Cortlandt Stormwater Hotline** at **Town Code Enforcement** at **914-734-1010**.

WHAT DO YOU KNOW ABOUT THE TOWN OF CORTLANDT HEATING OIL PLAN, CHOP?

This is an initiative of your Supervisor and Town Board, designed to save you money on the high cost of heating your home this winter. Members of CHOP will be able to purchase oil at a discount, through our bulk purchasing arrangement. The cost will be 30 – 40 cents per gallon above the wholesale cost to our local distributors, averaging approximately 20 cents per gallon less than the homeowner can obtain. This results in a savings for our homeowners.

This is a totally voluntary program, in which all homeowners may join our oil plan by paying a \$5.00 membership fee. For additional information, frequently asked questions and for participating oil companies, visit www.townofcortlandt.com/chop for more information.

For your safety House Numbers must be posted to facilitate the ENHANCED 911 SYSTEM - FOR EMERGENCY RESPONSE

Building enumeration is a vital component of the E911 System. Local Law No. 5-1988 mandated the posting of your home number for the use of emergency response personnel. Public education and awareness of the requirements of E911 is difficult without the assistance of the general public and our local media. Please advise your neighbors of the need for house enumeration. We want to use all resources available to us to speed the delivery of emergency services to your homes and families. Thank you for your cooperation on this important issue. At all times we thank our first responders who protect our residents and our community.

For additional information call: 914-734-1040 (House Enumeration), 914-734-1010 (Location and # Size)

ATTENTION HOME OWNERS

If your home is equipped with an alarm system it must be registered with the Town by obtaining an alarm permit with pertinent information relative to your home. (i.e., animals, contact persons, etc.) These permits are valid for long as you own your home. A new permit must be obtained when ownership changes. The permit information is distributed to the appropriate emergency services to enable them to respond to the alarm more efficiently. VAN CORTLANDTVILLE HISTORICAL SOCIETY

The Van Cortlandtville Historical Society welcomes people who are interested in learning more about the history of our community and sharing it with others. The society was founded in 1921 and has been headquartered in the historic Little Red Schoolhouse, 297 Locust Avenue, Cortlandt Manor, since 1972. A primary goal is hands-on education of children about life in the mid-19th century through such activities as the Early School Days program and the annual Colonial Fair, led by history enthusiasts in period clothing. Other activities include reenactments of local military events from the Revolutionary War, erection of roadside markers at local historic sites, annual memorial services, upgrading of Van Cortlandtville Memorial Park and rehabilitation of the Van Cortlandt family plot in Hillside Cemetery.

The society welcomes appropriate memorabilia and genealogical records from local residents. The society's regular meetings, at 2 PM at the Schoolhouse on the third Saturday of most months, feature a variety of presentations that extend far beyond the primary emphasis on early-day education and the rich Revolutionary War history of the community. Visitors and new members are always welcome. Booklets for a self-guided walking tour are available, along with other literature about local historic sites. Most activities are open to everyone at no charge. For more information, or to schedule a visit, please call the Schoolhouse at 914-736-7868, visit www.vancort.net or email society@vancort.net

The Coalition to Preserve the Hudson Highlands Gateway raised \$6 million to buy the parcel. In May 2000, the Scenic Hudson Land Trust, the Town of Cortlandt and Westchester County purchased the property.

A network of trails in the park exposes visitors to woodlands, streams, steep slopes, bedrock outcroppings and meadows, revealing much human and natural history and providing spectacular river views. This park is ecologically significant because it is home to several; noteworthy ecosystems. The site's upland wetlands are crucial for many frogs and salamanders to survive. Several different snake species use the prominent, east-facing cliffs of the park to warm themselves in the sun. Also the park's Westchester County location is in one of the country's three major bird migration corridors. Come spring, hundreds of thousands of birds fly over the park where they stop to rest and feed.

Since the property was acquired, the Hudson Highlands Gateway Task Force, a group of concerned citizens - has been working with The Scenic Hudson Land Trust, the Town of Cortlandt and New York-New Jersey Trail Conference on issues including park improvements, illegal ATV use and assessing the park's natural resources.

Hudson Highlands Gateway Park is an ideal destination for an afternoon or all-day outing. Recreational activities abound, including hiking, birding, cross-country skiing, fishing and snowshoeing. Located at the southern end of the fabled Hudson Highlands, the park once served as a Revolutionary War lookout and now is open for public enjoyment.

Directions

Two parking areas are available; one is temporarily shared with Sprout Brook Park, 0.3 miles from the intersection of Sprout Brook Road and Highland Avenue, just past and on the same side as the athletic. Cross road and enter park through the gap in guardrail. Universally accessible parking area is at the end of Doris Lee Drive (see map). Park on gravel in front of fence.

Operating Hours: Open year-round, from dawn to dusk.

Description of Trails:

Hudson Highlands Gateway Park has four trails, totaling more than 4.9 miles that traverse the 352-acre site. There are many meandering, wooded roads where one could easily get lost. Please stay on marked trails. The degree of difficulty for the hiking trails ranges from easy to moderate. Trail users should wear sturdy shoes and beware of loose rocks, holes and slippery surfaces.

(Red Trail) Annsville Creek Trail 1 mile, approx. 1 hr.

This trail starts at Doris Lee Drive and is universally accessible to the Pond Overlook. It travels by Annisville Creek, which contains breeding trout populations. Fishing is allowed. A sensitive wetland area surrounds the creek.

(Blue Trail) Upland Trail 2 miles

A steep ascent through a meadow and mixed woods forest brings visitors to a terrific view of the Hudson River. The remainder of the trail encompasses rolling terrain that passes by many historic stonewalls.

(Yellow Trail) Hudson Overlook Spur 0.6 miles

Distinguished by its scenic overlook, this trail also crosses a small stream that is the outlet for a large wetland upslope.

(White Trail) Vernal Pool Trail 1.6 miles

Beginning from the northernmost point of the Upland Trail, this trail works its way up and along a ridgeline. As it descends it passes by a large vernal pool, through a wetland and contains a number of steep slopes. Be cautious of wet surfaces. The trail finishes along an old woods road and rejoins the Upland Trail.
