The Honorable Jim Nicholson  
US Secretary of Veteran's Affairs  
10 Vermont Avenue NW  
Washington D.C. 20420

To The Honorable Jim Nicholson:

I am writing to show my support in maintaining the Veteran Services at the Montrose campus of the F.D.R. V.A. facility in the Town of Cortlandt. This facility is essential in maintaining adequate medical care as promised to our Veterans during their years of services to our nation. At a time such as this when many men and women are serving our country over seas, it is quite disheartening to think that the United States government would consider cutting back on Veteran care. I strongly support the Town of Cortlandt's plan to partner with the V.A. to operate and maintain some of their amenities and infrastructure (main roadway, beach and waterfront with the State of New York, indoor pool, sewer plant, theater/auditorium, land for a park, etc). These plans will benefit Veterans, our entire community and the V.A. as well.

God bless America!

Sincerely,
