Helpful Hints for Searching the Attached Assessment Roll

The pages that follow are the assessment roll for the Town of Cortlandt. It is easy to search for a parcel, but because it consists of ~3500+ pages, be patient because it may take a few minutes to find the property you are searching for.

The find bar may be different for different browsers, but generally you can press the **[Control] key + the [F] key** and a search bar should pop up in one of the corners of the screen. In the find bar, type in a key word or phrase such as the first part of the parcel address, the owner's last name (or part of the name), or the parcel ID (section-block- lot). Remember less is more--the more you type in, the more restrictive the search. Here is an example: Type in [1 Wharton] in the find bar and press [enter] and you will take you to page 905:
