Map adapted by the New York-New Jersey Trail Conference from *Walkable Westchester*. The second edition, updated in 2014, features 200 parks with more than 600 miles of trails.

The Trail Conference supports parks by mobilizing thousands of outdoor-loving volunteers who create, maintain, and protect 2,150 miles of public trails. Support trails and the work of our volunteers by purchasing great trail maps, volunteering on the trails, or simply visiting nynjtc.org for more information.
