We are writing to ask that you adjourn our application for the next few months while we consider the best path forward. We are sincere in our desire to respond to our community's request for more events at Hemlock Hill Farm and to continue to promote sustainable agriculture and production at the same time. Our immediate neighbors are, of course, part of our community as well and we'd like to take a couple of months to review options at the farm.

Sincerely,

Laura DeMaria, Hemlock Hill Farm
