

Design Development **Architects**

23 Arlo Lane

Date: 28 February 2022

Please let this letter serve as our request to extend the site plan approvals granted by your office for an additional year. While we have tried to secure a building permit we have found the process difficult and ask that you permit the site plan approval to remain open for an additional year as we work to secure permits to complete the work needed to make this a viable building.

Sincerely,

Ron Hoina, AIA
Partner
DESIGN DEVELOPMENT ARCHITECTS
