Loretta Taylor, Chairperson  
Planning Board  
1 Heady Street  
Cortlandt Manor, NY 10567

Dear Chairperson Taylor,

I recently met with Cortlandt staff and your consultant John Benvegna of WSP to discuss our request for modifications to the Hollow Brook Golf Course testing protocol. Based on those discussions the Hollow Brook will retain Hydro Environmental Solutions, Inc. (HES) to assist the Hollow Brook in reviewing the existing protocol and suggesting changes/modifications for review by WSP and your Board. We expect to be back in front of your Board in September and October for further discussions.

Thank you,

Eugene Peterson  
Manager  
Hollow Brook Golf Club
